

Spy Proof America! - J. Francis Logan

Spy Proof America! - J. Francis Logan

A very impassioned piece from the first World War, introducing a volunteer civilian anti-spy organization to root out enemy spies from the USA. It appears that this organization never reached the level the author urges; however, other organizations such as the American Protective League did.

"Greatest Publication Since the Civil War!
 Spy Proof America means only one thing - a short, quick, decisive victory - and with honor, too!
 Every City Is Mobilizing - Join Now
 The Voluntary Secret Service - V. S. S."

(Introduction by TriciaG & from publication)

Read by volunteer readers. Total running time: 2:41:10
